Commencement:

In exercise of the powers conferred on the Governing Council of the National Agency for Food and Drug Administration and Control (NAFDAC) by Sections 5 and 30 of the NAFDAC Act Cap N1 LFN 2004 and Section 12 of the Food, Drugs and Related Products (Registration, Etc.) Act Cap F33 LFN 2004 and of all the powers enabling it in that behalf, THE GOVERNING COUNCIL OF THE NATIONAL AGENCY FOR FOOD AND

DRUG ADMINISTRATION AND CONTROL with the approval of the Honourable Minister of Health hereby makes the following Regulations:-

1. Scope

These Regulations shall apply to all labelling of complementary and alternative medicine manufactured, imported, exported, distributed, advertised, displayed for sale or used in Nigeria.

2. Prohibition.

No person shall manufacture, import, export, distribute, advertise or sell any complementary and alternative medicine unless it is labelled in accordance with the provision of these Regulations.

3. Labelling Information

- (1) All information required to be indicated on the label of complementary and alternative medicine shall be prominent, legible and distinct. All statements must appear in font size and style type which is adequate for clarity and on sufficient contrasting background without obscuring designs or vignettes or crowding within written, printed or graphic matter.
- (2) All information on imported complementary and alternative medicine shall be in English Language, and may include any Nigerian language.
- (3) All information on locally manufactured complementary and alternative medicine shall be in English Language, and may include any other relevant language.
- (4) Labelling shall be informative and accurate.
- (5) Labelling shall not be false, misleading nor promotional in tone.
- (6) The product name shall not be suggestive of therapeutic claim.
- (7) Each product shall have a distinct design not similar to any other registered product.
- (8) All information and statements as required by these Regulations shall appear on the part or panel of the label which is presented or displayed under customary conditions of purchase.
- (9) The label space shall not be used to present information, statement or graphics not required by these Regulations in such a manner that will make the label space insufficient for the prominent placing of such information or statements required under these Regulations.
- (10) The labelling shall be based whenever possible on data derived from human experiences
- (11) No implied claims or suggestions of complementary and alternative medicine may be made, if there is inadequate evidence of safety or a lack of substantial evidence of effectiveness.
- (12) Where a claim of effectiveness or therapeutic indication labelling is made for any complementary and alternative medicine, it shall carry boldly and in close proximity to the claim, a statement to the fact that such claim has not been evaluated by NAFDAC, unless such claim has been clinically proven and deemed satisfactory by the Agency.

4. Name and Address of Manufacturer, Packer or Distributor

- (1) The label of complementary and alternative medicine shall specify conspicuously in the information panel the name and full location address of the factory of the manufacturer or packer, and
- (2) Where a complementary and alternative medicine is not manufactured by a person whose name appears on the label, the name shall reveal the connection between the person and the manufacturer, such as "Manufactured for" Distributed by...", or any other wording that expresses the facts.
- (3) The label of complementary and alternative medicine shall specify conspicuously in the information panel the name and full location address of the Certificate of Registration

Holder.

5. No reference to International Bodies

No reference, direct or indirect to international bodies shall be made upon any label of complementary and alternative medicine, except as prescribed by the Agency.

6. Declaration of Ingredients.

- (1) A quantitative list of ingredients of the complementary and alternative medicine by their botanical names or, by their common names, shall be declared quantitatively on the label.
- (2) Name or index number of colour used in the preparation of complementary and alternative medicine shall be declared on the label.

7. Trade mark

- (1) Where a complementary and alternative medicine has a trade mark displayed on the label, the trade mark shall not give a wrong impression of the nature, quality or substance of the complementary and alternative medicine, neither should it mislead the user nor be suggestive of any therapeutic use.
- (2) Where the trade mark registration is in conflict with any Regulations or requirements of the Agency, the Regulations or requirements shall supersede.

8. Registration Number assigned by the Agency

- (1) The outer and inner labels of a complementary and alternative medicine shall show clearly the Agency's registration number (NAFDAC Reg. No.) assigned to it as indicated on the Certificate of Registration in a manner prescribed by the Agency.
- (2) Where a complementary and alternative medicine has tertiary, secondary and primary packaging materials, and the content of a unit pack is reasonably considered to be dispensed or sold to an end-user as a whole or is for a single use, the NAFDAC Reg. No. shall be shown on the tertiary and secondary packaging materials only.

9. Identification mark

- (1) All tablets, capsules, caplets and similar dosage forms of complementary and alternative medicine shall bear identification marks traceable to the manufacturer or a Certificate of Registration Holder of the complementary and alternative medicine unless otherwise exempted by the Agency.
- (2) Requests for exemptions shall be made in writing to the Agency giving reasons why a waiver is justified.

10. Adequate Labelling
