ADMINISTRATION AND CONTROL ACT (CAP. N1 LFN), 2004
NON-NUTRITIVE SWEETENERS IN FOOD PRODUCTS
REGULATIONS, 2021**

[7th Day of July, 2021]

Commence-
ment.

In exercise of the powers conferred on it by sections 5 and 30 of the National Agency for Food and Drug Administration and Control Act (Cap. N1 LFN) 2004 and section 12 of the Food, Drug and Related Products (Registration, Etc.) Act Cap F33 LFN 2004 and all other powers enabling it in that behalf, the Governing Council of the National Agency for Food and Drug Administration and Control with the approval of the Minister of Health makes the following Regulations—

1. These Regulations shall apply to non-nutritive sweeteners used in food and food products that are manufactured, imported, exported, advertised, sold, distributed or used in Nigeria.

Scope of
application.

2. Non-nutritive sweeteners may be used in special non-nutritive dietary foods or beverages, such as energy-reduced foods or low calories foods or beverages and the use of non-nutritive sweeteners in foods shall be as authorised and prescribed by the Agency.

General
requirement
for the use of
non-nutritive
sweeteners.

3. A person shall not—

(a) manufacture, import, export, advertise, sell or present any food item or beverage containing a non-nutritive sweetener for human consumption, except as provided for in these Regulations ; and

Prohibition
of the use of
non-nutritive
sweeteners
in food and
beverages.

(b) sell a sweetener or food product containing a sweetener as an ingredient, other than a sweetener referred to in the Schedule to these Regulations.

4.—(1) Where the Agency approves the use of non-nutritive sweetener in food or beverage, a declaration as to the identity of the approved sweetener shall be made on the labels of such food products and beverages.

Declaration
on label for
foods and
beverages
containing
non-nutritive
sweetener.

(2) Where there are mandatory precautionary warnings for the use of any non-nutritive sweeteners, such precautionary warning shall be boldly and conspicuously indicated on the label such as “contains Aspartame”.

(3) The label of a sweetener or mixture of sweeteners intended for table use shall not contain the word “diet”, “low energy”, “low joule”, “non-nutritive” or “artificial” or words of a similar meaning unless the energy value of a quantity of the sweetener, which has the sweetening equivalent of 5g of sucrose is not more than 8kJ.

(4) Any sweetener that is intended for table use, which contains aspartame, shall bear the following statement on the label of the sweetener “Loss of sweetness may occur when used in cooking and baking”.

(5) Where a mixed, compounded or blended food product contains a non-nutritive sweetener the words "non-nutritive sweetener" shall appear in close proximity to the name of the sweetener.

(6) For the purposes of subregulation (3) of this regulation, to the extent that it may be applicable to food products—

(a) a sweetener shall at all times conform to the applicable specifications of identity and purity recommended by the National Industrial Standards ; and

(b) in terms of safety, food grade quality shall be achieved by conformance of sweeteners to their specifications as a whole, not merely with individual criteria and through their production, storage, transport, and handling in accordance with GMP.

Offences and Penalties.

5.—(1) Any person who contravenes any of the provisions of these Regulations commits an offence and shall be liable on conviction, in the case of—

(a) an individual, to imprisonment for a term not exceeding 1 year or to a fine not exceeding ₦800,000.00 or to both ; and
